

**PARENTS: YOU WILL FIND
HOPE IN THESE PAGES!**

This ground-breaking and life-affirming book was written specifically for you: **The Parent Of A Child With Autism Or Special Needs**

The Autism Parents' Guide To Reclaiming Your Life provides you with proven techniques and a clear-cut action plan to help overcome the challenges of raising a child with special needs, while building a rewarding life for yourself.

It is designed for those parents who have just been handed the diagnosis, as well as those who have been dealing with the autism journey for years.

PARENTS HAVE SPECIAL NEEDS, TOO!

More than doctors, therapists, educators and other experts, parents are the key to the quality of life for any child. That goes double for a child with a disability.

You are the link to their world: their protectors, advocates, caregivers and the source of love and affection that all children need and deserve.

So Who Is Taking Care Of You?

What about your special needs, as parents taking on a life-long challenge, facing unknown trials ahead?

**TAKE BACK CONTROL.
RECLAIM YOUR FAMILY!**

Who can understand what you're facing and help you get through it?

This informative, realistic and uplifting guide will help you:

- **Reclaim your life**
- **Understand autism's impact on you, your family and your world**
- **Meet the challenges of parenting a child with special needs**
- **Build the best life possible for you and your family**

You don't have to let autism define or defeat you. This book will give you the power to fight back against autism...and **WIN!**

YOU CAN DO THIS!

In this guide, not only do we look at the realities of autism itself, but we also look at what it means to be a parent of a child with special needs.

And more importantly?

To realize that you are so much more than that.

You are still **YOU** -- a person with individual needs and interests. All you have to do is learn the skills to unlock a happier, healthier life.

**START YOUR ACTION PLAN
NOW!**

You and your family can have a good life -- as good as any other family.

So what are you waiting for? It's time to change your life!

Let this empowering guide show you how! Order your copy today at www.amazon.com and www.yourautismcoach.com.

THE SPECIAL NEEDS SUPPORT TEAM

This enlightening book is also an excellent resource tool for:

Family members and friends: learn simple tips to help support the parents

Pediatricians and medical specialists: treat your patients and assist their parents

Teachers, therapists and school administrators: work effectively with students' parents and create a winning partnership

Agencies and non-profit organizations: serve your clients more efficiently

By working together, everyone helps support the entire family!

ABOUT YOUR AUTISM COACH, LLC

The company provides superior coaching services and seminars that address the issues and concerns of parents of special needs children.

Parents have to be proactive about seeking treatment for their children, but also realistic enough to know they need help themselves.

Visit www.yourautismcoach.com to learn more or schedule a free, no-obligation coaching session.

BOOK TESTIMONIALS

"As a single mom with a daughter on the spectrum, I found this book not only useful and informative, but very inspiring. I recommend it to all autism parents!"

Kim Quilty

"As an uncle of an adult man with autism, I strongly recommend this insightful and realistic guide. It provides excellent advice for family members and friends."

Gilbert Tracey

"It's an excellent resource for therapists who work in school and with parents."

Antonia Schroeder, Speech Pathologist

"As practical and informative as it is 'user friendly' and reassuring, this guide should be considered essential reading for any parent or family member having to deal with an autistic child."

ABOUT DEANNA PICON

As a parent of a non-verbal, young man with autism, Deanna personally understands the impact of autism on a family. She knows first-hand how heart-breaking a diagnosis can be for parents and the personal struggles that often follow.

But through her own journey with autism, she also recognizes the special joys, rewarding experiences and unique life gifts which can result from raising a child with special needs.

Deanna established **YOUR AUTISM COACH, LLC** to help parents successfully meet the distinctive challenges of raising autistic and special needs children.

Her personal mission is to empower parents as they advocate for their children, while balancing productive work and family lives.

Deanna brings over 20 years of professional coaching and management development experience to her work, including roles at major Fortune 500 companies such as McGraw-Hill, American Express and Avon Products. She has coached, trained and advised business professionals, corporate executives and entrepreneurs.

Her academic credentials include a Bachelor of Arts degree in Psychology and a Bachelor of Arts degree in Broadcast Journalism from Syracuse University.

Her articles have appeared in *Autism Parenting Magazine*, *Exceptional Parent Magazine*, *Grand Magazine* and *Parenting Special Needs Magazine*.
